SUMMER MATCH SEASON – STARTS W/C 18 APRIL

For those of you who have had more sense than to play in the snow and rain during the winter season, now is the time to dust off your racquets and launder your whites – the summer season is fast approaching. *We are fielding four teams again and match practice will be starting on **Saturday 5th March at 9.00am** prompt for an hour each week (subject to the ever changing weather of course!)*

PLEASE NOTE – Match practice is not just for the 'A' and 'B' team. Everyone is welcome. We may even be lucky enough to use Justin's ball machine as well some weeks. *Half an hour on that = a full match's worth of workout!*

Also, if anyone who does not normally play in any of the teams is interested in playing matches and wishes to be considered, please either get in touch or come along to match practice.

The club have again entered 4 teams in the Banbury and District league and 2 teams in the Thames Valley League (one mens and one ladies.) Good luck to everyone who represents the club this season in any of these teams.

SINGLES LADDER – It has been suggested that the club set up a singles ladder. If you would be interested in this please email the club's email address (below) to register your interest. You will not be committed – the Committee just needs to gauge interest in whether there are enough people who would want a singles ladder.
