"Glencree",
Philcote Street,
Deddington.

MEMBERSHIP SECRETARY: Mrs P. Whitton,
"Willery",
Clifton Road,
Deddington.

15th Jan.1982

The above named club has just been formed and we are currently planning the construction of three hard courts as part of a village community centre project. In order to secure the site and build the courts we need to raise some £18,000 as our share of the costs by April 1st this year. This is a big task for a village of 1500 people. However we have already achieved £10,000 and are working hard to close the gap.

This brings me to the point of this letter. We would be very grateful if your club could spare, say, £10 from its funds to help us to meet our target.

I know times are hard, but we hope you can help - as indeed we would hope to help other embryo clubs in the future.

We will be very happy to repay your generosity with a friendly match and a drink afterwards once we are established.

Yours sincerely,

R.S.Forsyth.
